PRESS RELEASE

Birth, Death, Marriages and Divorce Statistics, December 2023

15.02.2024

The Kosovo Agency of Statistics (KAS) has released the preliminary data on a monthly basis for Births, Deaths, Marriages and Divorces for the month of December 2023.

These data are published based on administrative data.

According to the legal provisions on managing of basic registers books for Births, Deaths, Marriages and Divorces, cases are mandatorily to be registered in the above-mentioned registers, in the place where the event took place, regardless of the fact that the persons related to the event have residence it in that place or anywhere else.

In the month of December 2023, a total of 2 026 births were registered (inside and outside Kosovo). Of these registered births, 1 061 births are male and 965 births are female.

Whereas a total of 877 cases of death were registered (inside and outside Kosovo). Of the registered deaths, 459 cases are male and 418 cases are female.

In the month of December 2023, a total of 1 618 marriages were registered (inside and outside Kosovo), while 131 divorces were registered that occurred in Kosovo.

KAS will continue to collect data through special statistical questionnaires, for Births DEM-1, Deaths DEM-2, Marriages DEM-3, and Divorces SHK-1, during this calendar year, as before. Data collection continues on a monthly basis and will serve to create a database and to compare it with administrative data.

The source of data for this Bulletin is the Kosovo Civil Registration Agency (KCRA).
